

UPCOMING EXPERT SERIES WEBINAR:

An Oil & Gas Macro Conversation

TUESDAY, MARCH 24, 2026
1PM - 2PM CT

Join U.S. Energy's President of Capital Markets, **Matthew Iak**, and **Tom Seng**, Texas Christian University's Academic Director of the Ralph Lowe Energy Institute, for an engaging macro-level discussion on the state of the oil and gas industry. In this timely conversation, Tom will share expert insights on global market dynamics, price trends, and geopolitical influences.

The live webinar will be held on Tuesday, March 24th at 1pm CT.
